## DEBORAH MESHACK

I'm an articulate and dedicated professional looking to progress my career within a rewarding and challenging environment. Quick to learn and taking pride in carrying out tasks to the best of my ability.

A natural team player with the ability to build strong internal and external relationships. A proactive individual with logical approach to challenges, I perform effectively even within a highly pressurised working environment.

**OBJECTIVE**

I am now looking for a new and challenging position, one which will make best use of existing skills and experience yet enable further personal and professional development.
