Dear Sir/Madam,

RE: APPLICATION FOR MANAGER CASH

Kindly consider the heading above,

I am writing to express my interest for the position of Manager Cash, which has been advertised in Tanzania Job seekers agencies available at National Bank of Commerce. I have completed my bachelor degree in Accountancy at Institute of Finance Management.

I am so pleased to apply in the Bank which is one of most respectable and reputable Bank in the country. I believe that I fit for the Job, also I am a fresher, I have a positive attitude, eager to learn new things, hard working so you can mould me into any shape that you want to make me an asset at National Bank of Commerce and I feel that working for the Company, will give me further exposure that I need to learn and acquire in my career as an accountant.

I promise to take challenges and deal with them while assisting in effectively carrying out Management functions so as to perform duties that I will be assigned by my superiors.

Thanks in advance I will be glad on my request, will be given colorful consideration.

Yours sincerely,

Geoffrey Nhende
